C. Decision

I conclude that North Carolina's application for these program revisions meets all of the statutory and regulatory requirements established by RCRA. Accordingly, North Carolina is granted final authorization to operate its hazardous waste program as revised.

North Carolina now has responsibility for permitting treatment, storage, and disposal facilities within its borders and carrying out other aspects of the RCRA program, subject to the limitations of its program revision application and previously approved authorities. North Carolina also has primary enforcement responsibilities, although EPA retains the right to conduct inspections under Section 3007 of RCRA and to take enforcement actions under Section 3008, 3013, and 7003 of RCRA.

Compliance With Executive Order 12866

The Office of Management and Budget has exempted this rule from the requirements of Section 6 of Executive Order 12866.

Certification Under the Regulatory Flexibility Act

Pursuant to the provisions of 5 U.S.C. 605(b), I hereby certify that this authorization will not have a significant economic impact on a substantial number of small entities. This authorization effectively suspends the applicability of certain Federal regulations in favor of North Carolina's program, thereby eliminating duplicative requirements for handlers of hazardous waste in the State. It does not impose any new burdens on small entities. This rule, therefore, does not require a regulatory flexibility analysis.

Toxic Chemical Release Reporting; Community Right-to-Know; Technical Amendment

AGENCY: Environmental Protection Agency (EPA).

ACTION: Technical amendment.

SUMMARY: This document corrects one typographical error in the technical amendment published in the Federal Register of March 10, 1995, in which EPA corrected several other listing errors from a previous Federal Register document (November 30, 1994) under section 313 of the Emergency Planning and Community Right-to-Know Act (EPCRA) of 1986. This typographical error appeared in the Chemical Abstracts Registry (CAS) number for one of the chemicals listed in the regulatory text.

EFFECTIVE DATE: This document is effective September 27, 1995.

FOR FURTHER INFORMATION CONTACT:

Maria J. Doa, Project Manager, 202-260-9592, e-mail:

doa.maria@epamail.epa.gov, for specific information on this document. For general information on EPCRA contact the Emergency Planning and Community Right-to-Know Information Hotline, Environmental Protection Agency, Mail Stop 5101, 401 M St., SW., Washington, DC 20460, Toll free: 800-

535-0202, Toll free TDD: 800-553-7672.

SUPPLEMENTARY INFORMATION: In the Federal Register of March 10, 1995 (60 FR 13048), EPA issued a technical amendment to the final rule adding chemicals to the Emergency Planning and Community Right-to-Know Act (EPCRA) section 313 list of toxic chemicals. In this document, EPA corrected the spelling of 4-methyldiphenylmethane-3,4-diisocyanate in the regulatory text from the November 30, 1994 final rule (59 FR 61484). However, in the March 10, 1995 technical amendment, the CAS number for 4-methyldiphenylmethane-3,4-diisocyanate was published incorrectly as "075790-74-0" in the regulatory text, § 372.65(c), page 13048, second column of the table, second entry. The correct CAS number is "075790-84-0." The CAS number for this chemical was published correctly in the November 30, 1994 final rule and only appeared incorrectly in the March 10, 1995 technical amendment (60 FR 13047). This document corrects the error in the previous technical amendment.

Seamen's Service Awards

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Final rule.

SUMMARY: The Maritime Administration (MARAD) is amending its regulations prescribing procedures for obtaining seamen's service awards to conform to the provisions of the Merchant Marine Decorations and Medals Act of 1988.

EFFECTIVE DATE: September 27, 1995.

FOR FURTHER INFORMATION CONTACT: Patricia Thomas, Maritime Industry Analyst, Office of Maritime Labor, Training and Safety, 400 Seventh Street SW, Room 7302, Washington, DC 20590, Telephone: (202) 366-5755.

SUPPLEMENTARY INFORMATION: Public Law 100-324, the Merchant Marine Decorations and Medals Act of 1988, 46 App. U.S.C. 2001 *et seq.*, ("The Act"), recognized the service of United States merchant seamen during times of peace, war and national emergency by expanding the authority of the Secretary of Transportation (Secretary), delegated to the Maritime Administrator (MARAD), to issue medals, awards and decorations to merchant seamen who performed such service. It repealed the Act of July 24, 1956, commonly referred to as the Merchant Marine Medals Act of 1956. That statute had authorized medals and decorations for outstanding and meritorious conduct and service in the U.S. merchant marine after June 30, 1950. The regulations of MARAD, at 46 CFR part 350, are being revised to reflect

this change in the law and to implement the Act by specifying the medals, awards and decorations that the Secretary may issue and by establishing the procedure for determining eligibility to receive these indicia of recognition for service in the U.S. Merchant Marine.

Rulemaking Analyses and Notices

Executive Order 12866 (Regulatory Planning and Review) and DOT Regulatory Policies and Procedures

This rulemaking is not considered to be an economically significant regulatory action under section 3(f) of E.O. 12866, and is not considered to be a significant rule under the Department's Regulatory Policies and Procedures (44 FR 11034, February 26, 1979). Accordingly, it was not reviewed by the Office of Management and Budget.

A full regulatory evaluation is not required because the rule has no mandatory effects and imposes no regulatory costs.

MARAD has determined that this rulemaking presents no substantive issue which it could reasonably expect would produce meaningful public comment since it merely prescribes a procedure for obtaining seamen's service to implement statutory authority for their issuance by the Secretary of Transportation. Accordingly, pursuant to the Administrative Procedure Act, 5 U.S.C. 553(c) and (d), MARAD finds that good cause exists to publish this as a final rule, without opportunity for public comment, and to make it effective on the date of publication.

Federalism

The Maritime Administration has analyzed this rulemaking in accordance with the principles and criteria contained in Executive Order 12612, and has determined that it does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Regulatory Flexibility Act

The Maritime Administration certifies that this rulemaking will not have a significant economic impact on a substantial number of small entities.

Environmental Assessment

The Maritime Administration has considered the environmental impact of this rulemaking and has concluded that an environmental impact statement is not required under the National Environmental Policy Act of 1969.

Paperwork Reduction Act

This rulemaking contains an information collection that has been approved by OMB under 5 CFR part 1320, pursuant to the Paperwork Reduction Act of 1980 (44 U.S.C. 3501, *et seq.*). Approval number 2133-0506 has been assigned to the collection requirement.

List of Subjects in 46 CFR Part 350

Decorations, medals, awards; Seamen.

Accordingly, 46 CFR part 350 is revised to read as follows:

PART 350—SEAMEN'S SERVICE AWARDS

Sec.

- 350.1 Purpose.
 - 350.2 Special medals and awards.
 - 350.3 Other original recognition of service.
 - 350.4 Eligibility for awards.
 - 350.5 Replacement decorations.
 - 350.6 Unauthorized sale, manufacture, possession or display.
 - 350.7 Special certificate of recognition.
- Authority: 46 App. USC 2001 *et seq.*, 49 CFR 1.66.

§ 350.1 Purpose.

The purpose of this part is to prescribe regulations to implement the Merchant Marine Decorations and Medals Act of 1988, 46 App. USC 2001, *et seq.*, to authorize the issue of decorations, medals, and other recognition for service in the U.S. merchant marine, and for other purposes, and to provide for the replacement of awards previously
